ZARZĄDZAJĄCY SYSTEMEM OCZYSZCZANIA KRAKOWA

GREEN WASTE COLLECTION

Every year, the Municipal Cleaning Company (MPO) collects green waste (grass, leaves, shredded branches, cut green parts of plants), and in the winter season additionally collects natural Christmas trees. Green waste collection takes place according to the schedule available on the website:

<https://mpo.krakow.pl/pl/mieszkancy/harmonogramy/zielone>.

Bags for green waste are available at the seat of MPO in Krakow at 1 Nowohucka in the control room (on working days from 7:00 a.m. to 3:00 p.m.), as well as in the offices of District Councils during office hours. On the collection day resulting from the schedule, the bag filled with green waste should be placed in front of the property, in a publicly accessible place (roadside, sidewalk) visible from the street until 7 am.

COLLECTION OF BULKY WASTE FROM ESTATE – KRAKOWSKA EKO-PAKA

„Krakowska EKO-PAKA” is a large, properly marked container, equipped with a door for convenient access to its interior. It is a mobile point for the selective collection of bulky waste. "EKO-PAKA" is placed for a period of one day at the place and time agreed with the property administrator. During this time, residents have the opportunity to place bulky waste in it. After 24 hours, "EKO-PAKA" is transported by a specialized vehicle. The service does not require any additional fees. Property administrators who want to take advantage of the "Krakowska EKO-PAKA" should contact the Municipal Cleaning Company.
