## MUNICIPAL WASTE SELECTIVE COLLECTION POINTS

<https://mpo.krakow.pl/pl/mieszkancy/uslugi/gromadzenie>

## REMEMBER!

- Waste segregation is obligatory.
- Empty packaging should be crushed before throwing it away to reduce its volume.
- Before visiting the Municipal Waste Selective Collection Point, read the regulations available on the website.
- Owners of single-family houses, who compost bio-waste in their own compost bins, may be exempted from part of the municipal waste management fee.
- DO NOT throw household waste into street bins!
- Dog owners are required to clean up after their pets.
